

FY 13 Funding Allocations for **NR** WA, **Nonresponsive**
 March 11th 2013

As a result of litigation and settlement agreements, the following needs have been identified by R10.

State	Funding Allocation	Project Description	Additional Comments/Notes
Nonresponsive			
OR Mid-Coast Implementation Ready TMDL (CZARA SA)	\$57,000	Region 10 plans to use all this money on meeting facilitation needed to finish out the project for the Mid-Coast. However, the project has run into some significant challenges related to Feb 2012 OR WQS Litigation causing a delay in the TMDL.
